Subject: FW: West Well inorganics missing four contaminants
Attachments: scan0011.pdf

Hi Dan,

The original report did not include barium, beryllium, chromium and cadmium. Can you enter these for the west well?

Thanks

Emmanuelle Rapicavoli

Please: All data submittals to our office should be sent by email to datamanager@epa.gov with a copy to me (or your project manager in the Drinking Water Office). Data reports are due no later than the 10th of the month following the month that you receive results, or the 10th of the month following the compliance period, whichever comes first. Please include the whole lab report and copy of the Chain of Custody. Label with PWS name and number; & source or distribution system location codes or names for data collection points.
